You can handle a variety of terrains, from cobblestone streets to moderate hills with relative ease and without assistance. You can climb two flights of stairs with ease. There may be 1 to 2 days on this tour when walking tours can cover 3 to 4 miles over uneven terrain. Expect some full days balanced with free time to recharge or set out on your own adventure. You can handle altitudes up to 6,000 feet. While this level is appropriate for travelers that require mobility assistance devices, there could be times when you may have to sit out on some of the included activities.

### Experience It! Pike Place Market

This is one of America's oldest — and perhaps most famous — farmers markets. From antiques to fresh fruits and vegetables, it truly has it all. You may choose to make a stop at the original Starbucks or spend some time enjoying the talented street performers, but everyone must make a stop at the world-famous fish market. Keep an eye out for fish flying through the air! The fishmongers enjoy serving up their catch by tossing it over the counter. Then, cap off your visit by relaxing at one of the many restaurants and cafés before stocking up on the local specialty foods and browsing the colorful creations of local artisans.
