Experience It! Norwegian Fjords

The evolution of the fjords began some three million years ago, when Norway was covered by an ice cap thinner along the coast than inland. With the arrival of a milder climate, the ice began to melt and produce great waterfalls that logged the soil and descended to the sea. Valleys were filled in by the ocean, creating the fjords. Surrounded now by steep, rocky mountains, dissected by cascading waterfalls, and decorated with thriving fruit trees, the fjords are among Earth's most inspiring landscapes. You'll often find the fjords of western Norway at the top of annual must-see lists alongside the Pyramids of Egypt and the Grand Canyon. This dramatic masterpiece of nature is a true wonder of the world where the air is pure, the water is clear, and nature is unspoiled. No photograph can ever do justice to the Norwegian fjords. It is a place that must be seen to be believed.

Day 15: Thursday, September 4, 2025 Bergen - Tour Ends

Depart for home today with incredible memories of your Scandinavian journey. (B)

PLEASE NOTE:

Book Now rates valid until Feb 22, 2025, valid on air inclusive packages only.

The overall activity level of this tour is a level 3. This means you're an on-the-go traveler. You don't want to miss a thing, so walking and standing for longer periods of time (2-3 hours) isn't a big deal. A moderately paced two-and-a-half-hour walking tour, covering several miles, hills, and uneven surfaces, is no problem for you. Walking four miles over the course of a day is very doable, as is climbing into and out of various modes of transportation (tuk-tuk, cable car, zodiac, etc.). You can climb three flights of stairs easily and handle altitudes between 6,000 and 9,000 feet. Expect some longer days with early mornings or late nights balanced with free time to recharge or set out on your own adventure. This level is not a fit for travelers who require mobility assistance devices.

Some of the older properties and attractions in Scandinavia may not have elevators.

If you require any special assistance while on tour, please make us aware at time of reservation so the necessary request form can be sent to your attention.

Museums may close unexpectedly or for the observance of holidays.

Single accommodations are limited and are available on a first come, first served basis. Single rate subject to change based on availability. Triple accommodations are not available.

This trip includes an overnight ferry crossing, during which you will have a basic, comfortable cabin for sleeping. Please be aware that your main luggage will be placed in the ferry's luggage storage area and will not be accessible until the next day. You will keep only a small overnight bag with you on the ferry.

To complete your tour, we include roundtrip airport-to-hotel transfers when purchasing our airfare with your tour. If you have arranged for your own air, we are pleased to provide you the option of *purchasing* these transfers. Please note that all transfers will leave at pre-scheduled times.

For air-inclusive reservations, the name provided at time of booking must match your government-issued ID that will be used during travel. Name changes are subject to penalties.

Please be advised many airlines do not provide advance seat assignments until check-in at the airport. Advance seating will be subject to the airline's terms and conditions.
