### Experience It! The Flamenco

"El cante," "el baile," and "la guitarra." Combine the three into one romantic tour de force, and you have the essence of the flamenco...the song, the dance and the guitar. The flamenco's roots began in southern Spain as a 17th-century art form created by Andalusian gypsies. Similar to the blues that originated in America's Deep South, the "cante," or song, was a way for the gypsies to express their sorrow and repression. They sang their lyrics in the dark mines where they worked, using verse to help ease each other's personal grief. As the 18th century approached, the gypsies gained more legal rights and many were able to purchase musical instruments. Soon the "guitarra," or guitar, was added to their repertoire. The "baile," or dance, quickly followed — and like any great art form, the flamenco took off. Soon performances in more mainstream venues like local cafés and dance halls combined with old-fashioned commercialism to make the flamenco the national dance of Spain.

### PLEASE NOTE:

**Book Now rates valid until May 01, 2025, valid on air inclusive packages only.**

**The overall activity level of this tour is a level 3.** This means you're an on-the-go traveler. You don't want to miss a thing, so walking and standing for longer periods of time (2-3 hours) isn't a big deal. A moderately paced two-and-a-half-hour walking tour, covering several miles, hills, and uneven surfaces, is no problem for you. Walking four miles over the course of a day is very doable, as is climbing into and out of various modes of transportation (tuk-tuk, cable car, zodiac, etc.). You can climb three flights of stairs easily and handle altitudes between 6,000 and 9,000 feet. Expect some longer days with early mornings or late nights balanced with free time to recharge or set out on your own adventure. This level is not a fit for travelers who require mobility assistance devices.

The walking tour of the Alhambra will take approximately 3 hours.

If you require any special assistance while on tour, please make us aware at time of reservation so the necessary request form can be sent to your attention.

From mid-June to mid-September, temperatures can easily reach 100 degrees in Seville and Cordoba.

Boat experiences on this tour are weather dependent and may be cancelled within 24 hours and without replacement.

\*The Seville Cathedral requires that visitors adhere to dress codes where open toe shoes, shorts, bare shoulders, and hats are not allowed.

\*\*\*On the rare occasion the Alhambra visit needs to be on this day, we will not have a stop in Murcia.

\*\*\*\*On the rare occasion the Sagrada Familia in Barcelona is not available, you will instead visit another top Spanish attraction, like Casa Mila. The order of inclusions on this day may change based on the timing of the Sagrada Familia tickets.

\*\*Alhambra tickets are not guaranteed and subject to availability per Spanish Governing Authority. On the occasion that tickets are not available, you will visit another top Spanish attraction and your group leader or travel agent will be notified. Complete passport information is required 120 days prior to departure to book tickets to the Alhambra. If passport information is incomplete or inaccurate within 120 days prior to your tour departure, there is a strong possibility that we will be unable to confirm entrance tickets. You will be subject to any additional charges incurred from failing to provide passport information within the designated time frame.

Hotel check-in on your day of arrival is 3:00 p.m. Rooms may not be available prior to that time.

Single accommodations are limited and are available on a first-come, first-served basis. Single rate subject to change based on availability.

Due to traffic regulations, buses cannot reach historic city centers. This means at times, the bus may drop the group off at one location but pick it up elsewhere. If you opt out of an activity, you'll need to arrange your own transfer to the next bus pick-up spot, as passengers cannot remain on the bus during stops due to European regulations.

To complete your tour, we include roundtrip airport-to-hotel transfers when purchasing our airfare with your tour. If you have arranged for your own air, we are pleased to provide you the option of purchasing these transfers. Please note that all transfers will leave at pre-scheduled times.

For air-inclusive reservations, the name provided at time of booking must match your government-issued ID that will be used during travel. Name changes are subject to penalties.

Please be advised many airlines do not provide advance seat assignments until check-in at the airport. Advance seating will be subject to the airline's terms and conditions.

Due to tour scheduling, arrival flights should arrive prior to 3:00 p.m.

**Do you understand and accept?** Yes No

Collette cannot guarantee the availability of such rooms as many hotels have a limited number of rooms that are equipped with the above accommodations.

**Are you traveling with an oxygen tank?** Yes No

If you answer "YES"

- You must contact the airline directly to arrange transportation of the oxygen on the plane. Oxygen requests vary by airline and location and can take up to 2 weeks to request.
- You are responsible for supplying your own electrical cords, and converters as needed.

This form must be remitted within 14 days of receipt for any special needs accommodation request.

*Collette cannot provide special individual assistance to tour members with special needs for walking, dining, or other routine activities and motorized scooters are not permitted on tour.*

The Americans with Disabilities Act only applies in the United States. Many international destinations cannot accommodate passengers' requests. Collette will make all reasonable efforts to accommodate the special needs of tour participants, but we cannot guarantee that all requests will be honored on international destinations.

Collette also regrets that it cannot provide individual assistance to a tour member with special needs for walking, dining, or other special personal needs. It is strongly recommended that persons requiring assistance be accompanied by a companion who is capable and totally responsible for the assistance.
