Experience It! Monasteries in Metéora

Atop towers of limestone rock that reach almost 900 feet in the air, the remote monasteries of Metéora seem like a direct line to the Divine. From early Christian times, Metéora's cliffs were heralded as the place to achieve peace and harmony, and thus, spiritual revelation, thanks to the isolation they provide. It's no surprise that the monasteries were erected here among the overwhelming rock formations and inspiring setting. These monasteries, and the monks who reside in them, are living out Byzantium history in their monastic communities built high on the vertical rocks and tucked away inside pristine natural beauty. Today, Christians from all over the world make their holy pilgrimage to these monasteries, and Metéora has become a preservation site for the 2,000 year-old Christian Orthodox creed.

Important Tour Information:

Book Now rates valid until Sep 09, 2025, valid on air inclusive packages only.

The overall activity level of this tour is a level 3. This means you're an on-the-go traveler. You don't want to miss a thing, so walking and standing for longer periods of time (2-3 hours) isn't a big deal. A moderately paced two-and-a-half-hour walking tour, covering several miles, hills, and uneven surfaces, is no problem for you. Walking four miles over the course of a day is very doable, as is climbing into and out of various modes of transportation (tuk-tuk, cable car, zodiac, etc.). You can climb three flights of stairs easily and handle altitudes between 6,000 and 9,000 feet. Expect some longer days with early mornings or late nights balanced with free time to recharge or set out on your own adventure. This level is not a fit for travelers who require mobility assistance devices.

Travel with an average of 37 people (maximum of 44).

In order to access the Acropolis archeological site, you will be required to climb about 50-60 steep uneven steps and walk over rugged terrain with loose stones and without railings. Accessing one of the two monasteries in Meteora requires climbing approximately 200 steps.

If you require any special assistance while on tour, please make us aware at time of reservation so the necessary request form can be sent to your attention.

Due to a limited number of tickets for the Acropolis, travelers who book within 60 days of departure may be waitlisted until tickets can be confirmed.

*In order to enter the monasteries in Meteora, all guests must have their shoulders covered. Women must wear skirts or dresses that cover the knees or must bring a scarf to tie around your waist if wearing pants. Men must wear long trousers. You may be denied entry to the monasteries if this dress code is not followed.

**For departures from mid February through March, hotel accommodations in Nafplio will be confirmed prior to departure at either Amphitryon Hotel or King Minos Hotel, located in the town of Tolo.

Single accommodations are limited and are available on a first-come, first-served basis. Single rate subject to change based on availability.

To complete your tour, we include roundtrip airport-to-hotel transfers when purchasing our airfare with your tour. If you have arranged for your own air, we are pleased to provide you the option of purchasing these transfers. Please note that all transfers will leave at pre-scheduled times.

For air-inclusive reservations, the name provided at time of booking must match your government-issued ID that will be used during travel. Name changes are subject to penalties.

Please be advised many airlines do not provide advance seat assignments until check-in at the airport. Advance seating will be subject to the airline's terms and conditions.

Economy air rate and schedule are applicable for groups of 10 or more traveling on the same flights and dates.
