

Join us for a day at the

# Brooklyn Botanic Gardens

## Wednesday, April 30, 2025

It's a great time to visit the gardens as the Cherry Trees, Forsythias, Lilacs, Orchids and many other plants are in bloom. Founded in 1910, the 52 acre garden holds over 10,000 types of plants and includes a number of "gardens within the Garden," the Steinhardt Conservatory, which houses the Bonsai Museum, three climate-themed plant pavilions and a glass aquatic plant house. Lunch will be on your own in the garden café.

*Please note that there will be some walking involved on this trip. Wear comfortable shoes. All blossoms are dependent on weather conditions.*
