

Join us for a day at the

# Brooklyn Museum

Wednesday, April 30, 2025

The Brooklyn Museum, housed in a 560,000 square foot, Beaux-Arts building is one of the oldest and largest art museums in the country. It's world-renowned permanent collections range from ancient Egyptian masterpieces to contemporary art, and represent a wide range of cultures. Lunch will be on your own in the museum café.

*There will be a special exhibit scheduled during your visit:*

**Solid Gold** - Behold the majesty of gold in a shimmering exhibition dedicated to the element that has inspired countless works of art, fashion, film, music, and design. As a material and a color, gold has symbolized beauty, honor, joy, ritual, spirituality, success, and wealth throughout history. It has also taken on myriad forms: from millennia-old depictions of an idealized world to opulent 13th- and 14th-century Italian altarpieces and intricate Japanese screens, to contemporary artwork and haute couture marvels. With a sweeping range of objects and a global perspective, this exhibition will trace the many odysseys of the metal that has influenced cultures and legacies worldwide.
