

Dine in elegance at the

Culinary Institute of America

Bocuse Restaurant

Wednesday, September 24, 2025

Sleek and strikingly contemporary, this French restaurant is named for the most famous chef in France, Paul Bocuse. The Bocuse Restaurant re-imagines the execution of classic French cuisine through the lens of ultra-modern cooking techniques, brings a new style of casual yet sophisticated service, and offers a breathtaking architectural interior design. After lunch, the CIA Experience will give you insight to what is required to become a chef and into the physiology of taste. There will be time to visit the bookstore and bakery.
